DO YOUR BEST!

What is a Moonbeam?

The Salvation Army Moonbeam program is a holistic Christian education experience for girls and boys in Pre-K and Kindergarten. The goal is to help girls and boys develop social and communication skills, artistic flare and giftedness and to love God more through a Biblical worldview. This is done by encouraging prayer, Christian values and biblical principles, physical, mental, spiritual and social development in a balanced environment for learning, developing and caring that is age appropriate.
