### **Purpose of the Sunbeams**

The Sunbeam Troop is the junior troop for girls. The purpose of this group is the same as the Guards, to guard the soul, mind, body, and others. It trains young girls in habits which will help them to lead useful, happy lives. The Sunbeam troop is non-sectarian in character and includes any girl of Sunbeam grade level, regardless of creed or color. The Sunbeam program stresses the importance of the guarding of the soul of each individual, as well as her mind, body and social well-being.
